

Geocoding Addresses in PtMS for Windows with MapQuest

ABS' product development team has added a break through feature to PtMS for Windows – the ability to geocode an address using MapQuest's mapping and geocoding system.

Select client or destination address for geocoding then press Geocode Mapquest to find latitude and longitude.

PtMS For Windows - Geocode Function

PtMS - Geocode

Address: 2351 MARTINGALE RD
City: MEDIA
State: PA Zipcode: 19063 Secs:

Primary Result		Secondary Result	
Gis X:	1205297284	Gis X:	
Gis Y:	1035174534	Gis Y:	
Lat:	39.944917	Lat:	
Lon:	-75.415541	Lon:	
Zone:	515481	Zone:
